

Reconciliation

By Deni Marinska

My heart had never known such pain,
My soul had never known such sorrow,
My eyes had never known such tears.

I never knew that life could play such tricks on me,
I never thought that this would happen,
I never expected such an end.

How could you do this to me?
We were inseparable
And yet now we're not together.

I thought that I could never forgive you,
I thought that I'd be sad forever,
But I have come to see, that forgiveness sets us free.

Now I understand the law of nature,
You did what you felt you had to do,
But now I have to go and make up for every single tear I cried.
